How can we help you?

Our Functions and Events Coordinator is your point of contact for all aspects of your wedding at the Point Cook Homestead right through from your Ceremony and Photography to Reception and Bed & Breakfast arrangements. Both your ceremony and reception is coordinated to ensure you, along with your family and friends relax and enjoy your celebration. Our Functions and Events Coordinator can be contacted on 9395 1213.

Frequently asked questions

Can you recommend a celebrant / photographer/ DJ etc? We are delighted to provide you with a contact list which contains the contact information of businesses that we have used and feel confident recommending.

Can you organise a celebrant / photographer etc for us? Finding people to conduct or capture your big day is a very personal choice. You should feel comfortable with the people who will be helping with your wedding (including us!) so these are choices we recommend you make yourselves.

Why can't we get into the reception centre until 6pm? As the premises are still in operation as a cafe until 4pm, we require some time to set-up for your reception.

How many people can your reception venue hold? The maximum number we can seat without encroaching on the dance floor space is 120, but in a cocktail situation we can fit around 200. If you would like a wedding function of more than 120 seated, please speak to Catherine as alternative arrangements can be made.

Do you have a minimum number of guests? We rather run by a minimum spend requirement which can be seasonal, but around 50 guests is a general rule of thumb for the warmer months.

Please note all prices are valid for functions confirmed between 1/7/2010 and 30/06/2011, which are booked within a 15 month period. 1 Point Cook Homestead Road, Point Cook, VIC, 3030. Mel Ref 199 J3. Web: www.pointcookhomestead.com ph: 9395 1213.
